Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 Investing for Success agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Implementing whole school approaches in the explicit teaching of writing, and implementation small targeted literacy groups which moved students into the Upper 2 Bands for writing in year 3 and 5. 46% of students in year 3 achieved in the Upper 2 Bands and 20% in year 5. 100% of students in years 3 and 5 achieved at or above National Minimum Standards in Literacy.

- Whole school approach to data collections, analysis, data conversations and case management to develop goals and targets. 100% of staff engage in data analysis and development of data walls and use this information to inform differentiated teaching.
